NEW-YORK, February 24.

WEDNESDAY last his Honour our Lieutenant Governor was pleased, in Council, to give his Assent to the three following Acts, viz.

An Act for raising a Supply of *Forty Five Thousand Pounds* by a Tax on Estates real and personal, for putting this Colony into a proper Posture of Defence; for furthering his Majesty's Designs against his Enemies, in *North America*, and other the Purposes therein mentioned; for emitting Bills of Credit for the like Sum and for sinking and cancelling the said Bills in short Periods.

An Act for regulating the Militia of the Colony of *New York*. And,

An Act to restrain the sending of Provisions to *Cape-Breton*, or any other *French* Port or Settlement on the Continent of *North America*, or Islands nigh or adjacent thereto

After which the Assembly was adjourned to the second Tuesday in *March* next.

Boston, Feb. 24. Saturday last was published here, an Act passed by the General Court in their present Session, intitled, "An Act for the more effectual carrying into Execution such Orders as shall at any Time be given by his Majesty's Governor or Commander in Chief, at the Desire of the two Houses of Assembly, or of the Council, the General Court not sitting, for restraining Vessels from sailing to any Port without this Province."

We have a Report in Town, that several of our Northern Vessels are detained in the Harbour of Louisburg.

Philadelphia, March 20. On Sunday one of the Captains of Sir William Pepperell's Regiment arrived here from Virginia, and brought the agreeable News of the Men of War, and all the Transports, being arrived there from York, having had a short Passage, and that Officers and Men were exceeding healthy.

We also hear from New Jersey, that the worthy Col. PETER SCHUYLER, near Newark, has requested and obtained Leave of the Governor, to raise 400 Men at his own Charge, to be in Readiness to march to the Assistance of the City of New-York, or any Place in their Neighbourhood, if it should happen to be attacked by the French or other Enemies of Great-Britain.——*Is not this Patriotism indeed!*

Boston, March 3. We have sundry late Accounts from the Eastward, that upwards of 300 Indians, with French Officers among them, have been hovering about our Settlements for several Days; and that it was generally expected they would soon make an Attack upon some of them
